Make Cards for Seniors in Need
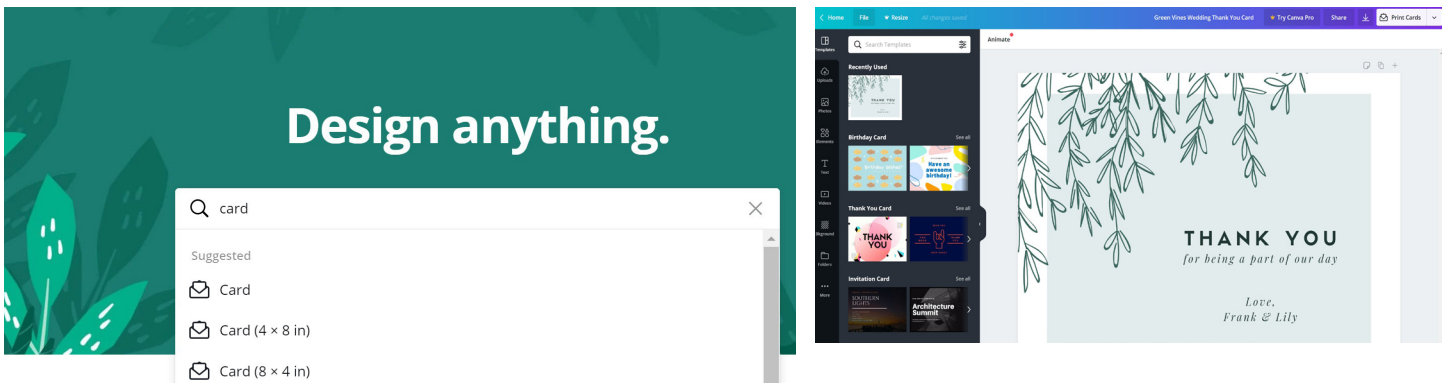

Hunger affects 1 of 6 seniors in our communities here in Central and Eastern Kentucky. Every month, God's Pantry Food Bank gathers and distributes enough food to pack 13,000 boxes for senior households in need of assistance. You can help us make these boxes a little more personable by writing cards or letters to be included in the boxes. Follow the instructions below to make a digital card OR write and draw on the back of this page, scan, and email it back to volunteerservices@godspantry.org. God's Pantry Food Bank will print out the cards and letters, and volunteers will place them in the boxes
